

## 33rd ANNUAL SENIOR CHAMPIONSHIP

SATURDAY, MAY 16 AND SUNDAY, MAY 17, 2009, GRANT PARK GOLF COURSE

NOTE: Each player is responsible for adjusting his Scores by the Equitable Stroke Control System and posting them as "T" (Tournament) Scores. White Tee Course Rating 64.3, Slope 103.

Congratulations to Senior Champion Bob Lehninger and Net Champions Dominic Carini, Joe Jurkowski and Ken Lauffer. It was a pleasure to be back at this historic course where County Championships were hosted in the past. Our thank you to Superintendent Jason Rosploch and his Crew for providing a well conditioned venue for the competition.

The Association is concerned by the declining participation in this Tournament. This event is tentatively scheduled to be played at Whitnall in 2010 but there is more to a Tournament than just picking a site and date. The Committee is in constant search for willing administrative volunteers and constructive comments. We will be requesting all Member Club Presidents to promote the three annual MCPLA Tournaments, encouraging their Membership to participate.

In the meantime, enter the 2009 County Championship at Brown Deer, August 29-30, an application is enclosed. Please make copies and recruit your friends as well. Thank you for your support of the MCPLA competitive program.

The players who cashed will find Milwaukee County Gift Cards enclosed. They may be used for green fees, carts, concessions or golf merchandise at County Golf Courses for two years.

Another great start of the golf season was provided by our wonderful volunteers - Starters Mary Ruper, John Mezzanotte and Rulesman Ray Ruper. The Scoring Crew June Kotas, Aimee Linneman and Mary Ruper, assisted by Earl Peters, provided us with dry weather and great Score Boards. These special folks are a vital component of the Wisconsin Golf Community. My sincere thanks to all of them for another job well done.
